

RUSTLE EARTHDAY

THE LEAF'S P L E D G E

A SPECIAL DAY COMES ONCE A YEAR,
REMINDING PEOPLE FAR AND NEAR
TO STOP AND THINK ABOUT THE EARTH,
TO ASK 'WHAT IS OUR FUTURE WORTH?'

MUST WE, FOR CONVENIENCE
SAKE, ALL THE EARTH'S
RESOURCES TAKE? DOES
'MAKING MONEY' JUSTIFY
POLLUTING WATER,
EARTH & SKY?

TODAY, ANOTHER
PATH WE CHOOSE:
'REDUCE, RECYCLE
AND REUSE' LESS
TOXIC WASTE,
LESS ENERGY. IT'S
OUR RESPONSIBILITY.

COME JOIN US AS WE SHARE THE NEWS:
REDUCE RECYCLE AND REUSE.
BY TEACHING OTHERS WHAT WE KNOW,
A BETTER WORLD CAN BLOOM AND GROW.
